

DELCO LEAGUE RULES

Rev. 2023

All competition between teams in the Delco Swim League shall be governed by these rules, amendments and supplements thereto approved by the League, and applicable sections of the current Official USA Swimming Rules. Any difference of opinion regarding the interpretation of the league rules shall be referred to the League President for a decision. All coaches shall be responsible for acquainting themselves with the Rules of the Delco League.

GENERAL RULES

I. ELIGIBILITY OF CONTESTANTS:

- a. All contestants participating in official Delco League meets must be bona fide members of families of the swim club represented.

A family and its members may belong to more than one Swim Club at any time but they can only represent only one Club in the Delco Swimming and Diving league in any competitive season. This will be determined by the first competitive swim or dive meet by any member of a family during the dual meet season.

- b. No swim team shall recruit participants by offering any inducements-either real or implied. (Example: Non-family member hired as an employee.)
- c. The eligibility of a contestant to enter a particular age group will be determined by his/her age as of June 1 of the current year. This is based on gender assigned at birth.
- d. Within seven days before the first league meet of the season or by a date established by the league representative at the first league meeting, each club shall prepare a list of registered contestants listed by age group, sex, and birth date and shall submit one copy to the Division Eligibility Chairperson, the Vice President and to the coach of each opposing team in their division. Each club shall update this list as new contestants join the team; shall notify the Division Eligibility Chairperson of any additions prior to participation in a league meet and shall present an updated copy of this list to the scorer of the opposing team prior to each league meet.

NOTE: Teams may submit eligibility challenges to the protest committee.

- e. A contestant must participate in a minimum of two (2) Varsity meets to be eligible for championships. There will be no exceptions to this rule.

II MEET PARTICIPATION

- a. No contestant may swim in more than **(3)** events including any relay in any One official Delco League meet or Championship, A violation of this rule shall result in the disqualification of the contestant in all events in all the events the contestant participated regardless of the finish place acquired. As a result, all other finish places shall be adjusted accordingly.

It was voted on that **ONE Exhibition** heat would be allowed for all 14u & 18u individual events. All participants must be age appropriate and the event does count as an event swum for the participant. If a team does have exhibition swimmers participating in an exhibition event, the event will take place directly after the live / scoring event and prior to the next numbered event. The times achieved in an exhibition event does count for championship purposes (if applicable) and all exhibition event times must be forwarded to opposing coaches with the official results. (revised 2019)

- b. No swim coach or participant shall resort to impersonation (having a contestant enter a fourth even using another person's name), if any such practice is attempted, the Delco League will take action to require the offending team forfeit that meet and if investigation shows that this deception occurred at previous meets, then all of those previous meets shall be forfeited.

MEET COMPETITION

- a. The order of events shall be as set forth under swimming and diving rules. Swimming events shall start promptly at 9:00 a.m., or at another time mutually agreed upon by the teams involved.
- b. Each team shall designate a team representative for each meet who may not be a coach or official at the meet. The **team representatives** shall have the power to reschedule a meet if circumstances warrant such action. It shall be rescheduled at a time and location mutually agreed upon by both teams involved and at a time which will not interfere with other official scheduled meets of the Delco League. In the event of a rescheduled swim meet, the League President shall be notified.
- c. To file a protest relative to the outcome of a dual meet, a **team representative** shall verbally notify the **meet referee**. The **referee** and the **protesting representative** will then, prior to continuing the swim meet, do a written account of the actions being protested. These reports must be submitted to the **league president** within 48 hours of the end of the meet. The **president** will submit these reports to a **protest committee** of 3 representatives. The **protest committee** will consist of members from the 2 divisions not involved in the protest. They will review the reports and gather any additional information that is needed, render a decision, and report their decision to the **president**. The **president** will notify both teams.
- d. If a team forfeits, fails to appear for a scheduled meet, or cannot agree to a rescheduled as provided in Section III-b, the meet shall be listed as a loss, and so entered in the team standings. The contestants of the winning club as entered on the Official Score Sheet shall be considered as an entry in a dual meet for the Championships.
- e. All lanes will be live where there are 6 useable lanes. In pools where there are only 5 lanes (Folcroft, Lansdowne, and Riddlewood,), only 4 lanes will be live

lanes with one exhibition lane designated by the host club.

IV SCORING

a. In meets, points will be scored as follows:

Individual events: 1 st Place	5 points
2 nd Place	3 points
3 rd Place	1 point
Relay events: 1 st Place	7 points
2 nd Place	0 points

If there should be a tie, the points will be split.

Example: 1st Place 5 points

2nd Place 3 points = 8 points divided by 2 = 4 points

Therefore, the two swimmers who tied will each earn four (4) points.

If there should be a tie for 2nd place, the points awarded for 2nd and 3rd places will be added and split giving each swimmer two (2) points.

- b. A team may only score two places for individual events and one place in relay events
- c. In the championships, no official point score shall be kept or published.

V DISQUALIFICATIONS

- a. When a relay team or individual is disqualified, the following place will move up accordingly and the points awarded to conform to the place. The disqualified relay team or individual will earn no points for that event.
- b. Even though a contestant is disqualified in an event, participation in that event will count toward the maximum number of events in which the contestant is permitted to compete for the meet.
- c. In the case of a disqualified contestant, the Referee will be responsible that the reason for the disqualification be entered on the back of the runner's card or attached to the runner's card at the time of the action, and will notify the contestant or team coach of the disqualification and reason.
- d. A contestant who fails to report for the start of an event in which the contestant is properly entered shall be disqualified. And count towards the swimmers maximum number of events.

VI LEAGUE DIVISIONS

- a. The Delco League will be divided into four divisions designated as A, B, C, D which will consist of six (6) teams. In order to achieve competitive balance and equal opportunities, the division with five (5) teams shall rotate each year, and some teams shall switch divisions for subsequent seasons in accordance with these rules.
- b. Except for those seasons when a division has only five teams, the team with the best record in the B division shall switch places with the team having the worst record in the A division and the team with the best record in the C division shall switch places with the team having the worst record in the B division and the team with best record in D division shall switch places with the team having the worst record in C.
- c. In those years where a division has only five (5) teams, either the team with the best of worst record shall remain in the same division for the next season while a team from other divisions shall switch, resulting in a six (6) team division for the following two (2) seasons. (for example, where A division has only 5 teams, those teams shall remain in A division, while the team with the best record in B division shall switch to A division for the following season, the team with the worst record in B division shall switch with the team having the best record in C division, and B division shall have 5 teams for the following season).
- d. In the case of ties the following criteria shall determine which team shall move between divisions: The same criteria shall be used to determine places in the final Standings.
 1. The points scored by all tied teams involved against each other.
 2. The total points scored over the complete season by the tied teams.
- e. A new team entering the League to fill the vacancy in any of the three divisions shall normally be placed in the "C" division for the first year unless the performance of its swimmers in the previous summer indicates that entering the "A" and "B" Divisions would promote fairer competition. The Delco League representative shall determine the placement of new teams and appropriate changes to the movement of teams between sections as provided for in "a" (see above).
